MAYFLOWER BSA RESIDENT CAMP SQUANTO OVERVIEW

Resident Camp is a fun week-long overnight camping experience for Scouts BSA that provides those who attend an exciting program of education, adventure, and purpose. It is an excellent environment to promote character, citizenship, and fitness as well as meet other Scouts, earn merit badges, or take advantage of advancement opportunities.

At Camp Squanto, it is our mission to provide a safe, educational, and exciting week-long program for all members of Scouts BSA looking for an adventure. We take pride in our camp, keeping it clean and filled with the Scouting Spirit. The hard working, lively, and helpful attitude of our staff means our program is always stimulating, unique, and catered to the needs of all Scouts who attend.

We offer a host of merit badges and activities, including aquatics, handicraft, life & sciences, nature, scoutcraft, and shooting sports. Advancement opportunities are plenty, but we offer a program that is so much more. A week at Camp Squanto gives Scouts not only an opportunity to learn, but to have fun, meet other Scouts, and experience the great outdoors. From our waterfront on Fawn Pond to our five-mile nature trail, there is much to enjoy, especially when surrounded by our vibrant staff. Our camp is open to all registered youth members of the Boy Scouts of America without regard to race, color, creed, or financial status.

So please join us this summer for an adventure of a lifetime. Whether you enjoy paddling a canoe across a crystal-clear pond, listening to bugle sounds as Old Glory climbs to the top of the flagpole, reel in a bass, landing a bulls-eye at the archery range, eating a delicious Dutch oven dessert, stretching for the next rock on the climbing wall, laughing around the campfire, or taking a leisurely stroll along our hiking trails, there is much to enjoy when camping with Mayflower Council, especially when surrounded by our vibrant staff and the great outdoors.

We hope you enjoy being a part of the Spirit of Squanto.

A. MAYFLOWER COUNCIL BSA SUMMER CAMP GUIDELINES

The Camp administrative staff works year-round to ensure the program provided during your week at camp is the best experience possible.

PLEASE READ CAREFULLY. These rules and regulations are implemented to assure proper conduct at our Council camps, to keep Mayflower Camps in good condition, and to ensure the safety of all that use the facilities. We appreciate your decision to camp with us and we hope you have a great time. The Mayflower Council BSA follows the Guide to Safe Scouting, a copy of which can be located at scouting.org.

1. THE PURPOSE OF SUMMER CAMP

The purpose of good Scouting and Scout camping is to train boys and girls in good character, vital citizenship, and personal fitness. The objectives of the Camp Staff and of the camp program are to serve the needs of the troop and the Scouts. In outdoor Scouting activities, simple skills of camp craft, woodcraft, aquatics, personal fitness, and living in a democratic society are at a premium. They are important because:

- Learning skills and advancing bring self-confidence.
- Solving immediate camping problems brings self-reliance.
- Vigorous outdoor exercise promotes personal fitness.
- Knowing what to do and doing it promote personal initiative.
- Making group decisions and implementing them develop cooperation.
- Facing certain hardships with other Scouts makes life-long friends.
- Experiencing nature develops outdoor appreciation and spiritual awareness.

At Mayflower Camps, we intend to reproduce and strengthen the processes by which a troop ideally operates when it is in its home community. We do not intend to replace the Scoutmaster, the Troop Leader's Council, or the Leadership Corps but, rather, to work with them and through them in determining the needs of individual troops and of the Scouts in them.

Camp will be more than out-of-doors; it will bring an intense and vital training session for the troops that come and for the boys and girls they bring. It is a vital part of the Scouting program and will endeavor to build Scouts and troops by supplying them with the challenges, opportunities, and rewards of Scouting, in an intensive and reinforcing way. This, in turn, assists the Scouts and troops to continue to determine their own program and effectively operate through their own leadership.

Rules for acceptance and participation in all sessions of this camp are the same for everyone, without regard to race, color, or national origin.

2. CONTACT INFORMATION

Camps Nobscot, Resolute and Squanto are owned and operated by the Mayflower Council, Boy Scouts of America. All questions, concerns, and payments will be handled by the Mayflower Council service center located at: 83 Cedar St. Milford, MA 01757. Phone: 508-872-6551 Fax: 508-872-9092. The Mayflower BSA camps comply with regulations of the Massachusetts Department of Public Health and are licensed by the local boards of health.

Parents should send mail early in the week or even the end of the prior week to make sure it arrives in camp before to the Scout's departure.

3. SCOUTMASTER/SENIOR PATROL LEADER PRE-CAMP PLANNING

Kick Off Meeting:

February virtual meeting date TBD

Monday, March 29, 2021 Randolph Elks, School St, Randolph, MA (In person if allowed)

Pre-Camp Meeting:

The Monday evening before you leave for camp, 6:00 pm dinner, 7:00 pm meeting. Check in at Squanto office.

This planning meeting is for you, the Scoutmaster, and for your Senior Patrol Leader to get an overview of camp in 2021 and to give you assistance in your program planning before you arrive in camp. Also, any last-minute administrative instructions and details will be given to you at this time.

The Scoutmaster and Senior Patrol Leader should attend the meeting the week before your camp arrival date. It is vital that all troops have at least one representative for this planning session.

During the planning session expect:

- An explanation and discussion of camp and troop administrative policies including the merit badge enrollment/change process.
- An explanation and discussion of troop program and advancement opportunities available at camp.
- A Round Robin with area Directors to schedule your troop program for the coming week. Area Directors have the responsibility of ensuring equal afternoon program opportunities for each troop. They reserve the right to restrict your scheduling until all units have visited them.
- An update on program changes.

4. CAMP ARRIVAL & FIRST DAY

Arrival at Camp:

Camp Squanto: Troops should arrive on Sunday between 1 and 2 pm and plan to depart Saturday morning about 10 am.

Once at Camp:

- Unit Leaders may arrive earlier than 1:00 pm for the purpose of setting up their campsite. Staff members are not available to assist unit leaders prior to 1:00 pm on Sunday.
- Units will be allowed in camp at 1:00 pm. Units should assemble in the parking lot where the unit's site host will greet them.
- When everyone is together the troop, accompanied by their site host, may proceed to their site. Your site host will have prepared your site for your arrival, accounted for the existence and condition of necessary equipment, and will assist you through the rest of the check-in process/orientation according to a pre-assigned itinerary.
- We advise campers and parents to eat before arriving at camp. For those who choose not to, our trading post offers snacks and refreshments.

- All groups are responsible for any and all damage done to camp property by the group during their stay.

Camp Orientation:

Orientation sessions have been set up so that once your unit checks into camp your Scouts will be able to learn the rules of the camp. Your site host will bring you on a tour of the camp with brief sessions to go over some rules. If the unit has not submitted a pre-camp swim test classification sheet, Scouts should be prepared to take the swim test after the orientations are complete

Swim Tests:

At the start of the camp week, we are required by the Boy Scouts of America to test every camper (adults & youth) for swimming ability. We do keep records on those tests for campers returning for multiple weeks. We encourage all campers to test to the highest ability they are comfortable with and we do provide instructional swimming during the week. Campers **MUST** pass the swimmer's test and attend a waterfront safety orientation to use the water amusements. Campers may take a swim test prior to camp **IF** done in a similar body of water and administered by a preapproved instructor.

Troop Meeting:

Upon returning to your campsite we suggest you hold a troop meeting to discuss items which you feel are of importance to your campers. The camp strongly recommends that you include these issues in your meeting.

- Sunday's schedule.
- Daily schedule and routine.
- Campsite cleaning duties.
- Health and safety rules.
- Importance of a clean camp.
- Use of the buddy system at all times.
- Dining hall procedures, manners, and food serving.
- Your personal expectations of your unit's members.
- Emergency procedures
- Early morning, siesta, and lights out are "quiet time" in camp
- Encourage your Scouts to talk with the camp staff to get to know them or if they have any concerns
- The Scout Law is the law of the camp
- The availability of the provisional troop camping for Scouts who want come back for another week.

Vehicles:

- All vehicles must be kept in the main parking lot, no vehicles are allowed at the campsites. Anyone with physical limitations which may require a vehicle for transport are required to notify the Camp Director in writing one week prior to arrival. (Camp Squanto may have camp trucks to help transport unit gear to their sites, when the entire unit is present.)
- All groups are restricted to their assigned site/building those assigned by the Camp. No one should be in another troop's site without permission.
- Adults from your group should check your site regularly for cleanliness, possible damage or other concerns.
- Do not move equipment of any kind into or out of any site/building. Should you require assistance, please request the help of the camp staff.
- It is expected that all facilities used will be cleaned before departure.

Paperwork:

- Unit leaders should have all completed and signed medical forms with them.
- A roster to be verified during electronic check in at camp.
- Please pay any balance owed prior to arriving at camp.
- Leaders should have signed shooting sports/photo release authorization forms for all Scouts.

- Be aware and be prepared to discuss special accommodation requests with the Camp Director/Health Officer.
- Don't forget to secure your site for 2021! This can be done online prior to arrival at camp.

Visiting:

Parents and friends are welcome during check-in on Sundays. They may tour the camps and take advantage of our Trading Post and family picnic areas. All visitors are required to sign in at the Camp Administration Building and will receive a "visitor badge" that must be worn while in camp.

Camp Squanto: Some troops offer an opportunity Wednesday evening for parent night. Dinner is not available that night, but picnic areas will be made available. Troops should communicate to their troop parents regarding visiting time.

Pets:

Please remind parents and leaders that they cannot bring pets to visit or stay at our camps. This is especially important during check in and check out because of the number of visitors we have in camp.

5. LEADERSHIP

- All adults are expected to conduct themselves in accordance with the SCOUT OATH and LAW.
- A minimum of two registered adult leaders 21 years of age or older, are required to accompany each troop. National BSA policy requires that male and female campers have segregated sleeping arrangements. Female troops must have at least 1 registered adult female leader 21 years old or older.
- All units are required to meet standards of the Guide to Safe Scouting in regard to age/supervision/guidelines for Scout BSA camping. Go to scouting.org for more information. Groups arriving with only one leader will not be permitted to remain in camp.
- Please review these rules and regulations with all the members in your group. **All leaders** must meet the BSA leader requirements, including current adult membership, Youth Protection Training, the new criminal background check, a SORI and a **camp** CORI (this is different than the membership CORI) report done by the Mayflower Council. CORI reports are only done by authorized personnel as outlined by the State of Massachusetts. Please be aware that all adults serving in a supervisory capacity in camp **MUST** have a current YPT and a camp CORI & SORI done even if they are not staying overnight.
- The Free Leader fee schedule is as follows:

1 – 8	campers	One free leader
9 – 16	campers	Two free leaders
17 - 24	campers	Three free leaders
25 - 32	campers	Four free leaders
33 - 40	campers	Five free leaders
41 - 48	campers	Six free leaders

The fee for all leaders beyond this schedule is \$100.00 per week. This helps to cover food and other expenses.

Youth Protection Policy:

All adults attending a Mayflower BSA Camp **MUST** have an up to date Youth Protection Training certificate. Mayflower BSA has a responsibility to provide a safe and healthy environment for all who camp there. Camp leaders and staff must be alert to several types of possible abuse: physical, emotional, sexual, and neglect.

If you suspect abuse of any kind, follow the BSA Youth Protection Policy. The Camp Director must be notified and given a report of any incidence of child abuse. The report must include as much supporting information as possible. The report is to be kept confidential. Tell only those who have a need to know. Above all, protect the

dignity and privacy of the victim. Please refer to the BSA Safe Scouting Guide for additional information on this matter.

Discipline:

Campers attending our Camps are expected to maintain appropriate behavior at all times. Respect for all members of the camp community and camp facilities is expected at all times. All discipline shall have as its intent the modification of behavior to within acceptable parameters. Discipline shall be limited to counseling, close supervision/monitoring, and restriction from selected activities. At no time will discipline be administered by a staff member under 18 years of age unless the actions in question pose a safety hazard to the offender or another individual. Then action appropriate to remedy the situation may be employed. Discipline shall be constructive or educational in nature, and may include such measures as diversion, separation from problem situations, talking with the camper about the situation, or praise for appropriate behavior.

Prohibited Discipline:

- Corporal punishment, including spanking, is prohibited.
- No camper shall be subjected to cruel or severe punishment, humiliation, or verbal abuse.
- No camper shall be denied food or shelter as a form of punishment.
- No child shall be punished for soiling, wetting or not using the toilet.

The Camp director reserves the right to dismiss a camper when, in the director's judgment, the camper's behavior interferes with the rights of others, prevents the smooth functioning of a group or activity, or violates the camp's principles of conduct.

Bullying or Hazing:

Hazing, Bullying or Pranks of any type are not permitted at Mayflower camps or anywhere in Scouting. Troops or individuals engaging in such activities may be asked to leave camp without the advantage of a refund.

Strictly Prohibited Items:

- Alcoholic beverages, marijuana, or illegal substances
- Fireworks
- Pets of any kind
- Motorized bikes, four wheelers, bicycles, etc.
- Sheath knives
- Power equipment such as chainsaws, electric generators, etc.
- Aerosol cans OF ANY KIND
- Harassment or "pranking" other groups
- Personal firearms or ammunition. Only camp-owned .22 caliber firearms and ammunition are permitted in camp. All personal bows and arrows must be checked at the camp office upon arrival.
- Disturbing wildlife or their habitat
- Cutting, digging, defacing or destroying trees or plants
- Littering – A Scout is Clean!
- Trenching or digging of holes.
- Carving of buildings or trees.
- An adult must supervise axe and hatchet use. No double bit axes.
- Smoking, e-cigarettes, and personal vaporizers (vapes) are not allowed in any building, camp structure or on camp premises. Adults may smoke in approved smoking locations. Do not litter; take your butts with you! The National Council, BSA recommends NO SMOKING at any event with youth present.
- Any item deemed by camp leadership to be unsafe or used in an unsafe manner.

Possession and/or use of any of these items will result in dismissal from camp. A report may also be filed with the local police and fire officials.

Technology:

Campers and Leaders should be ready for a technology-free week. Cell phone use is at the discretion of the individual Scoutmaster. The camp business phones may be used in emergencies to contact parents with the permission of the unit's Scoutmaster. The camps are not equipped to allow for personal internet use, please plan accordingly. Leaders needing Wi-Fi access should plan to bring their own hotspot.

Homesickness:

One of the possible problems for Scouts attending overnight camp is homesickness. Ask parents to help leaders by talking up the positive experience they will have rather than how much they will be missed. Explain how they will meet new friends, have an adventure and accomplish new things. Calling home may increase homesickness, leaders should know their campers and use their discretion.

Food Service:

Everyone at camp is served wholesome, well-balanced cafeteria style meals in the dining hall. The dining hall and cafeteria system are explained at camp. Menus are approved by qualified dietitians. It is important the Camp Director/Health Officer know of any food restrictions. Check the website for the online form for the food services company.

Special Accommodations:

A leader must meet with the Camp Director and Health Officer if someone in their group has made a special accommodation request. Mayflower BSA website has a link for the special accommodation request form. This may include dietary requests, physical accommodations, or electrical needs for medical reasons. Mayflower BSA attempts to meet reasonable accommodation requests, but there is no guarantee our facilities can accommodate all requests. All accommodation requests should also be noted on the individual's medical form.

Camp Store:

Our camp stores are open most of the day except during meal time. You will find a wide variety of items including T-shirts, patches, mugs, merit badge pamphlets, craft kits, candy, snacks, and soda.

Troop Pictures:

Your troop will have its picture taken by the camp photographer during your week at camp. The estimated cost per troop picture is \$13.

Rainy Day Activities:

Be prepared for the worst. Please make sure that your campers have adequate rain gear and warm clothes. Encourage them to bring cards, checkers, and other small games. Don't hesitate to bring your troop tarps.

Uniforms:

Each Scout should plan to have at least one complete summer uniform in camp. Uniforms are encouraged to be worn for the morning meals and are required for the evening meals, flag ceremonies, formal retreats and Troop photos. Comfortable clothes, appropriate footwear and a bathing suit (trunks for boys and one piece for girls) should also be available for daily use and activities.

Buddy System:

The National Boy Scouts of American require that all campers utilize the "buddy system". This requires that two or more campers stay together at all times, while at any of the Mayflower BSA camps. No camper should be wandering alone.

Religious Services:

A Scout is Reverent. All Scouts and leaders are encouraged to attend. Vespers will be held weekly on Wednesdays at 5:15 pm at the pine grove on Wednesday. The camp memorial services will be held on Thursdays in the Memorial area. At that time, we honor those Scouts, and volunteers who have passed away.

Colors and Retreat:

Please refer to camp schedules for timing of these ceremonies. Be sure to bring your troop flag in order that campers may participate. No other flags should be flown with your troop's flag.

Taps:

Taps is each night at 10:00 pm, campers are expected to be in their sites and quiet at this time. A Scout that requires leaving the site for an emergency trip to the health lodge must be accompanied by an adult or camp staff member.

Camperships:

The Mayflower Council operates a campership fund to provide financial assistance to deserving campers who would otherwise not be able to afford attendance at its camps. As good stewards of the money generously donated to this fund by concerned individuals, foundations and others, the Mayflower Council acts in complete confidence and exercises careful judgement when awarding camperships. In order to give as many camperships as possible, it is the policy of the Mayflower Council not to give 100% camperships and to only give camperships for one week at camp. Each family is expected to share part of the expense of camp. The amount granted is made on the basis of need and availability of funds. To apply for a campership, a family must submit the application on our website no later than June 1, 2021. The committee will be meeting to distribute available funds on a rolling basis beginning in early spring.

The earlier an application is submitted, the better chance the applicant has of receiving assistance.

Camperships are awarded based on need and first come, first serve or until funds are exhausted. There is no guarantee of campership awards and applications will not be accepted after June 1, 2021 or when funds are exhausted.

Barefoot Walking:

Being barefoot in camp is dangerous and therefore is not allowed. Scouts may only be without their shoes in the immediate waterfront area, camp showers and in their own tents.

Clothes Lines:

Please string clotheslines out of the way of foot traffic and hang something on them to indicate where they are. Tent outriggers are not to be used as clotheslines.

Garbage:

Do not leave garbage in fire pits, or latrines. Do not bury any garbage or leave food scraps outside. Groups must take all garbage to available dumpsters identified by the camp staff. Tin, glass, or other harmful items must be disposed of in the dumpsters before leaving camp.

Webelos Day:

Troops are invited to reach out to the Packs in their towns and invite the Webelos scouts to Squanto's Webelos day. We hope to get Webelos excited about future weeks of camp and answer any questions for parents of future campers.

Webelos will arrive (with parents) at 2pm on Thursday of each week and will be met by the CIT Director and a member of the admin team on the Welcome Lodge porch. The scouts will then have a tour of the camp with the CIT director and have a chance to try out the various activities (excluding swimming and ranges)

while the parents meet with the member of the administration team for a tour of their own. At 5 o'clock the Webelos and Parents will meet with their respective troops in the troop site. Webelos in uniform are invited to attend colors with their troop and all can stay for dinner. Dinner tickets will be \$5 per visitor

6. ADVANCEMENT

Merit Badge Program:

Every merit badge counselor is using the National Camp School Syllabus, or their own syllabus approved for use by the Assistant Camp Director Program and Camp Director. Occasionally, you as a leader may be of assistance to the merit badge counselor if it is in your area of expertise. We invite you to help (we're never one to refuse help!). Please see the Area Director of the merit badge if you feel you may be of assistance and are willing to lend a helping hand.

Each Scout will be challenged to pass their merit badges during their week at camp, however, we cannot guarantee that a Scout will complete the requirements. If you have a question as to why a Scout is not being signed off on a requirement, please see the merit badge counselor. If you are not satisfied, please see the Area Director or Program Director and we will meet and discuss the requirements. You will be notified of the resulting decision by the counselor at their earliest convenience. Any questions about the merit badge or its instruction should go through the following channels: merit badge counselor, Area Director, and Assistant Camp Director Program.

MB Registration:

Unit leaders are responsible for registering their Scouts for merit badge classes through the Council's registration system. At Camp you may make changes in your troop's program, based on availability. Please make all changes with the Area Directors. Don't hesitate to make changes if you feel they are in the best interest of your Scouts.

Merit Badge Completion Records:

All advancement will be in accordance with BSA National Standards. No substitutions are allowed and those not completing all the requirements will be given a partial. Staff members will not sign off on anything directly, but they will submit completion records to the Camp Administration. Electronic completion records are available for the troop leaders to run after camp ends. Please look them over and submit them to your advancement chair. **These are your troop's completion records: no physical blue cards will be distributed. It is important to run and verify your unit's report as soon as possible so we may speak with staff while they are still at camp.** There is no guarantee that researching discrepancies months after camp will be possible. Thank you in advance.

Merit Badge Caps:

Several merit badges have limits on the number of Scouts that can take them at one time. For the most part these caps are based on physical requirements of the badge or limitations of our staff. We do this to make sure that each Scout is getting the most out of their merit badge time. Class size will only be adjusted after review of the camp administration.

Pre-camp requirements:

Many merit badges cannot be done in just one week. Some require work either before or after camp. Please be sure to have the camper check over the list of pre-camp requirements once they have selected their badges. It is very unlikely that if a camper does not do the pre-reqs, that they will be able to earn the merit badge during camp.

7. CAMPER SAFETY

The security and safety of the youth in our charge is an extremely heavy responsibility. We must ensure that they are protected from unauthorized and unwarranted exposures, at the same time providing the freedom that is so

essential to their maturing process. With this as our goal the following procedures apply:

- At no time will youth be allowed alone beyond reasonable jurisdiction of staff members. When going from one area to another they shall travel in groups of no less than two.
- All activities beyond parameters of the main camp will be furnished with means of communication to the Administration Building.
- Campers will be released only to those individual(s) listed on the registration form or the Scoutmaster who will ensure responsibility for them.

Intrusion of Unauthorized Person(s):

Any Scout, leader, or staff member suspecting intrusion of an unauthorized person should report immediately to their leader or staff member of the area they are currently in. Leaders and staff should give a brief salutation, if possible, and direct them to sign-in at the administration office. Campers should not approach the individual under any circumstance. If the leader or staff are uneasy about approaching the individual or are given an inappropriate response, please notify the Camp Director or his/her designee immediately. The Camp Director shall assess the situation and ask the person to leave camp or notify the authorities if appropriate.

Camper Release:

Unit leaders are asked to inform the Camp Director in advance of any Scout who intends to leave camp during the week. A Release of Scout Form must be filled out.

The safety of our campers is a shared responsibility. Please ensure the Camp Director is informed of any situation which could result in a Scout being released to someone other than an authorized adult. Child custody disputes are especially sensitive and should be relayed to the Camp Director.

Before a Scout can leave camp, the adult escort must be identified by the unit leader. If the escort is not the Scout's parent, a letter from the parent authorizing release of the Scout is required. The adult taking a Scout out of camp must first sign-in at the administration building and be identified as an authorized person. When identity or authorization to pick up a Scout cannot be determined, the camper's family will be called to get authorization to release their child to the person at camp.

Verification of "No Show":

In the event of a no-show at check-in, the following process should be followed:

- The unit leader should verify why the Scout did not arrive at camp and inform the Camp Director.
- The Camp Director or Business Manager will call the Scout's family to verify the reason(s) of his/her absence from camp.
- A note on the Troop's roster will be made stating: who the camp spoke with; the date; and the name of the camper.
- If you know a Scout will not be going to camp, please bring a note from the parent whenever possible.

Sign In and Out of Camp:

Adult leaders arriving or departing from camp during the week are required to sign in and sign out using the in/out book in the camp office. During regular office hours the book will be located inside the camp administration building. Should an emergency occur, camp administration must know who is in camp at any time. Leaders leaving camp should make sure that proper coverage is provided during their absence by BSA authorized adults.

Visitors in Camp:

All visitors to camp must sign-in and sign-out at the administration building. Please remind all visitors to sign in immediately upon their arrival at camp and before proceeding to campsites or program areas. All visitors must clearly display the appropriate visitor pass.

8. EMERGENCIES AT CAMP

In case an emergency should arise within your group while in camp, Stay Calm, Act Quickly but Safely and

notify the Camp Director/Staff IMMEDIATELY. Emergency plans will be reviewed in detail with each leader upon arrival. An emergency report must be filed with the camp staff before you depart camp. In the event of a home emergency and a parent wishes to contact his/her Scout at camp, they may do so by contacting the camp office. All Massachusetts General Law for Children's Camps and the policies of the BSA are in force whether listed within this guide or not. You may reference the Guide to Safe Scouting for answers to many common questions.

PLEASE REVIEW THE EMERGENCY PROCEDURES WITH THE CAMP UPON ARRIVAL AS THESE MAY CHANGE

Emergency:

In the event of an emergency, a siren will sound. Report any emergencies to the Camp Director, Staff and/or Health Officer immediately.

Fire:

Send two runners immediately to the camp office with the following information:

- a. The location of the fire.
- b. The type of fire.
- c. The severity of the fire.
- d. What type, if any, personal injury has occurred.

Lost Swimmer:

The waterfront will be cleared immediately. Some adults may be requested to assist. At the sound of the LBD (Lost Bathers Drill) alarm, all Scouts, and unit leaders will report to their campsite where attendance will be taken by the unit leader. The unit leader will notify the camp office immediately, by runner or cell phone, of any missing personnel. The camp office will continue the LBD alarm until such time as the missing swimmer is located.

Lost Camper:

The unit leader will report any suspected lost camper to the camp office. The camp staff will then institute the appropriate search procedures.

Extreme Heat:

In the case of extreme heat, the camp administration will declare a heat alert and program activities will be adjusted accordingly. Unit leaders and Scouts are reminded to watch for symptoms of heat exhaustion and sunstroke. Watch especially for Scouts wearing inappropriate clothing and/or not taking in adequate amounts of fluid.

Lightning or Severe Storms:

The waterfront will be cleared immediately. All watercraft will return to shore. Scouts will report to their campsites unless otherwise instructed by a staff member. Avoid open fields. Any other needed instructions will be issued by the camp office.

Natural Disaster (Earthquake, Flood, Etc.):

In the event of a natural disaster all Scouts and adults should remain in the activity area they are in or go to the nearest campsite and await instructions from a staff member. If this is the area that is affected, then all personnel should move to the nearest safe area and await instructions.

Wildlife:

Campers, staff, and visitors are cautioned to avoid contact with wildlife at the camp at all times. Any injury

caused by contact with wildlife must be reported to the Camp Health Officer as soon as possible. The Camp Health Officer will notify the camp office and the necessary local authorities as required.

Chemical Spill:

In the event of a chemical or hazardous waste spill, a person should be stationed to keep all campers or visitors away from the spill and the camp office must be notified by runners or cell phone.

Camper Injury:

All serious medical emergencies will be treated at the local hospital and parents/guardians will be notified immediately by the Camp Director or their representative of all details as they become available. In order to reduce miscommunication of information, we do ask that leaders carrying cellular phones do not notify parents of accidents without authorization from the Camp Director or their designee. It is of great importance that each camp leader understands this and passes this information along, not only to the parents, but also to the Scouts as well. In the event of a major accident or death, the camp administration is to be notified immediately by reporting the accident to the camp office by runner or cell phone.

9. COUNSELOR IN TRAINING PROGRAM (CIT)

The CIT program is a training program to introduce Scouts to the responsibility of assisting the summer camp staff. The training consists of a rotational assignment throughout the camp. This offers each CIT a chance to experience the daily responsibilities of each program area in camp. CIT's will rotate through most of the program areas including aquatics, activities, handicraft, sports, ranges, provisional, and first year camper. While in each area CIT's assist in all program functions of that area, which includes assisting in merit badge classes and with afternoon activities. This experience will help each Scout gain not only teaching and leadership experience, but also self-confidence. CIT's should plan three weeks of program rotation and staff week. Weekly evaluations will take place as well as weekly reviews with the CIT Director.

CIT Candidates must:

- a. Be 14 or 15 years by June 23, 2021 AND be a registered member of the Scouts BSA or Venturing.
- b. Fill out an application (on our website) and be interviewed. Interviews begin during February school vacation. CIT Candidates cannot register until after an interview and the candidate is informed of acceptance into the program.
- c. Attend Staff Training Week which is the week before camp starts and attend three weeks as a CIT. A week with your troop does not count as a CIT week.
- d. Once approved you will be sent a registration link to register and pay. This fee includes staff training and the three additional weeks.
- e. Plan your own advancement and Merit badge work with the CIT Director each week. CIT's may receive credit for ONE merit badge per week.
- f. All CIT's are required to have the official BSA uniform and will be provided two CIT tee shirts to wear while in camp. Your personal conduct at camp must uphold the ideals of the Boy Scout Oath and Law.

10. SAFETY & SANITATION

Showers:

A Scout is Clean! Unit leaders are asked to ensure that your Scouts take frequent showers for personal hygiene and out of respect for others. For the same reason, plus to teach by example, leaders should follow the same practice. Help us conserve water by limiting the length of showers. We also recommend that campers and leaders wash their hands before each meal. Troops must provide supervision for their campers when they are utilizing the campers' shower house without intruding on the camper's privacy. Troops are asked to help us keep the shower house clean by participating in a rotating schedule of cleaning. The Camper shower house (for under 18 years old only) and Adult shower house (with separate male and female units as well as handicapped access units) are available each day from 6:00 AM to 10:00 PM.

Latrines:

Troops are responsible for the daily cleaning of their latrine and sink. Latrine cleaning supplies and toilet paper are available from the Quartermaster Store or ask staff for help.

Laundry:

Laundry services are available at laundromats outside of camp for emergency needs.

11. OUTDOOR FIRE POLICY

The purpose of the Outdoor Fire Policy stated below is to limit the size of all outdoor fires used in conjunction with BSA related program elements on properties owned and operated by the Mayflower Council, Boy Scouts of America. The Camp Director has the right to restrict the use of fires on the property for whatever reason deemed appropriate.

The rationale for this policy is summarized as follows.

- a. To protect the health and safety of all Scouts, Scouters and visitors participating in programs requiring the use of a fire or fires on the aforementioned properties.
- b. To reduce the risk of damage to the property as well as the properties of our abutting neighbors and the associated liability resulting from such damage.
- c. To conform to state fire regulations as they pertain to outdoor fires.
- d. To conform to all EPA and OSHA regulations as pertaining to outdoor burning and incineration of materials that may be considered hazardous.

Fire Lay:

No fire lay in excess of 6' in diameter and 5' in height will be permitted on properties owned and operated by the Mayflower Council, BSA.

Combustibles:

All combustibles used in construction of any fire lay for use with Scouting related program element will be natural and clean. Combustibles that have been contaminated by paint, solvents, creosote or other preservative chemicals may not be used.

Fire Starters/Accelerates: In accordance with BSA policy, the use of liquid or chemical fuels to start or accelerate any fire is prohibited.

12. FUEL STORAGE

Flammable liquids must be stored in our storage facility when not being used. Propane containers which are not connected to a stove or lantern must be in our storage facility. Liquid fuel containers must be stored in our storage facility. All fuel devices, lanterns, stoves, etc., must be operated by adults or under adult supervision.

Fires, Cooking, Liquid Fuels & Lanterns

- a. Use of compressed, or liquid gas stoves or lanterns is permitted with knowledgeable adult supervision, in facilities only when and where permitted, and in accordance with the Guide to Safe Scouting. No tank 10 pounds or larger may be brought into any building. (Mass state fire code).
- b. NO burning flames or lanterns in tents or lean-tos. Only use flashlights for illumination.
- c. Fires [properly supervised] are allowed in cabins with wood stoves. NO charcoal or coal is to be burned in wood stoves.
- d. NO standing trees are to be cut. No firewood is to be brought onto any camp property. Firewood is available at camps for an optional donation.
- e. Fires must be supervised at all times and when leaving the site, make sure all fires are "dead out".

- f. Self-contained cooking fires must be put in fire facilities provided by the camp. Altering, redesigning, relocating or adding any fire pit in camp is NOT allowed.
- g. Fuel, matches, etc., should be handled by adults only.
- h. Adequate fire control (water, sand, etc.) should be present at all times.

13. OUTDOOR SAFETY

With the safety of campers, leaders and staff in mind, a few areas have been identified as concerns in terms of wildlife in camp. A number of measures can be taken to prevent both injury and disease that may result in contact with wildlife in camp.

Awareness:

Scouts and their leaders should be aware of the potential hazards that exposure to wild animals and insects may bring. Prevention and awareness are the keys to a safe camp experience.

Wild Animals:

Wild Animals such as skunks, raccoons and foxes potentially represent possibility of either injury or rabies. In the event of direct contact, particularly a scratch or bite, the Health Officer should be notified immediately. The best possible plan involves prevention of exposure to reduce risk.

Preventative measures include:

- a. Hike only on designated trails.
- b. Maintain a clean campsite.
- c. Store food and smellables properly.
- d. Maintain a distance from animals that may be encountered.
- e. Avoid feeding of animals (intentional or not).
- f. Avoid direct contact with animals, including new offspring.
- g. Any sightings that are recurring should be reported to the unit leadership and administration. This is especially of true nocturnal animals, sighted during the day, which seem to be exhibiting any behavior that may be deemed unusual.

Insects:

Insects also present the possibility of personal injury but also disease: mosquitoes and ticks present the largest threat. Measures of prevention include regular application of insect repellent and the appropriate clothing being worn on hikes and activities in heavily wooded areas. Both tick and mosquito bites have the potential of transmitting disease to people. While prevention is preferable, insect bites may be unavoidable in certain situations. Any questionable amounts of mosquito bites and embedded ticks should be referred to the Health Officer.

IMPORTANT:

At the request of the Department of Public Health our website has fact sheets on Meningococcal disease along with CDC EEE info, CDC Tick info and CDC Camping Health & Safety. Campers attending a resident camp are not considered to be at an increased risk. The United States Centers for Disease Control, Massachusetts Department of Public Health and the Mayflower Council encourage everyone to be safe outdoors. Diseases associated with ticks and mosquitoes are growing threats in Massachusetts. When outdoors, please take necessary precautions as suggested by the Centers for Disease Control.

14. WATERFRONT POLICIES

Orientation:

All staff, campers and leaders must attend a waterfront orientation at the waterfront at the beginning of

camp where the waterfront staff presents the rules and policies of the waterfront, including what to do during an emergency in camp.

Swim Tests:

All campers (adults and youth) are given a swim test as part of camp check in to check their swimming ability. There are three swimming levels on the waterfront. At the end of each test the swimmer is given a tag that indicates their level. The tag has their name, campsite, Scout unit number, and the week they are attending camp.

- The **non-swimmer** ability group is the lowest level. The test is conducted by having a guard supervise the camper walking in the area indicated non-swimmer to wet their ankles and legs.
- The **beginners** test starts by having a supervised swimmer jump into water that is over their head, level off and then swim 25 ft., turn around in the water and swim back to their starting position.
- The next and highest level is **swimmer**. The tester is supervised jumping into water that is over their head, leveling off, they will then swim 100 yds. Of that 100 yds, 75 yds. will be swam using a strong front stroke such as, the front crawl, breaststroke, side stroke, and the trudgen. Strokes such as the doggy paddle and butterfly are not accepted. The tester will then swim the remaining 25 yds on their back using the elementary backstroke, which is the only stroke acceptable for this part of the test. The tester will then float on their back for 30 seconds.

Using the waterfront:

All individuals wishing to enter the waterfront must present their tag in order to enter the waterfront. All individuals must have at least one buddy with them. No one is allowed to enter any area, non-swimmers, beginners, or swimmers without a tag and a buddy. Staff however can partner camper with a current swimmer, as long as the board is changed to indicate the buddy switch has been made and both parties understand that they are now buddies. Swimmers may not leave the waterfront swimming area without their tag and buddy. All tags when not in use are stored on the waterfront *out board*.

Flotation Device:

Non-swimmers are required to wear a properly sized PFD which is checked for proper fit by the waterfront staff. Waterfront staff are trained on proper fit and tightness by lifting and snugging the straps. Non swimmers are allowed to bring their own PFDs to wear if they are deemed safe by the waterfront staff. The camper owned PFDs are labeled and hung in an area where only that individual will use it. Any PFD rejected by the waterfront staff may be substituted with a camp PFD.

AT **NO TIME** should anyone be in the water or on the docks alone or without permission.

Christian's Law:

In accordance with Massachusetts Law, our Camps screen campers for swim levels on the first day of camp and provides Coast Guard approved lifejackets for non-swimmers. You must inform the camp if you require your camper to wear a lifejacket during swimming activities. If parents wish to send along their own lifejackets they need to conform with the law as stated below.

Note: Campers are screened in our pond and don't wear a lifejacket during the screening.

(a) MGL c 111 Section 127A1/2. (a) The department of public health shall adopt rules or regulations requiring municipal and recreational programs and camps for minor children under its jurisdiction to have a system in place to have Coast Guard approved personal flotation devices of Type I, II or III available to non-swimmers and at-risk swimmers who will be present in a swimming or diving area, excluding swimming pools, wading pools and other artificial bodies of water.

(b) A determination shall be made of each minor's swimming ability at the first swimming session at municipal and recreational programs and camps in order to identify and classify non-swimmers and at-risk swimmers. Minors attending a municipal or recreational program or camp shall then be confined to swimming areas consistent with the limits of their swimming skills or to swimming areas requiring lesser skills than those for which they have been classified.

(c) No municipal or recreational program or camp for minor children shall refuse, decline or otherwise prohibit a parent, guardian or person with custody of a minor from providing a Coast Guard approved personal flotation device of Type I, II or III to such municipal or recreational program or camp to be used by the minor for the duration of the minor's attendance at such camp.

Fishing:

Fishing is permitted in designated areas only.

15. HEALTH & MEDICAL

Our primary concern is the safety and well-being of every camper. Mayflower BSA camps follow all safety and risk management guidelines set by the Boy Scouts of America, as well as the local, state and boards of health. As required by MA DPH 105 CMR 430:190 (C) and (D), our camps must comply with regulations of the Massachusetts Department of Public Health and be licensed by the local boards of health. Leaders and parents may request copies of background check, health care and discipline policies, as well as procedures for filing grievances. Camp Squanto is certified by the BSA National Camp Accreditation Program.

Medical Forms

Every adult and Scout in camp MUST have a completely filled out and doctor signed BSA medical form on file in the Health Lodge in order to stay at camp. Doctors annual exam forms are not permitted.

All campers are required to have a physical examination within 12 months prior to arriving at camp. All BSA medical forms must be completed and *signed by a physician* each year (including immunization update) and brought to camp on your first day. In addition, the immunization record for each camper, youth or adult, must include the following vaccines: Hepatitis B for all children born after December 31, 1992 (3 doses are required); Diphtheria, Tetanus Toxoids and Pertussis (at least 4 doses); MMR (2 doses or proof of laboratory evidence of immunity) and Polio (3 to 4 doses depending on the type).

Your physician **MUST** sign the **BSA medical form** – no signed attachments will be accepted. Make certain that both the parent's signature and physician's signature sections are filled out and a copy of the health insurance card is attached to the form. Medical forms are available on our website and at the end of this guide.

All medical forms must be retained by camp and will not be returned, so please make any copies you might need for other activities prior to coming to camp.

Units with Christian Scientist members will need to provide a special medical form, (available on our website), pertaining to their faith's medical policies.

Medications:

State regulations cover the storage and dispensing of medications. All medication must come to camp in the original containers and be stored by the health officer in locked compartments in the camp health lodge. Exceptions to storage by the health officer are authorized for medications for treatment of allergies and asthma. Questions about these medications should be raised with the camp prior to the child's arrival. To ensure a smooth transition, we recommend that your child continue the medications they need during the school year at summer camp.

If the medication is prescription, it must have a pharmacy label showing the prescription number, patient's name, date filled, physician's name, name of medication and directions for use. This information must also be on the camp medical form. Any camper coming to camp with a prescription Epi-pen or inhaler must bring two of either, one for the health lodge and one for the unit. The health officer dispenses medication according to the directions. If a camper refuses to take prescribed medications, this refusal is documented in the health log and the parent/guardian is notified. Campers should not keep any medication, over the counter or prescription, themselves unless approved by the Health Officer.

Health Care Consultant:

The health care consultant (HCC) is a licensed physician. The HCC assists in the development of the camp's health care policy; develops and signs written orders for the Health Officer; and is always available for consultation. The health care consultant is not present at camp.

Health Officer:

A Health Officer, who is at least 18 years of age and is always present at the camp. The Health Officer shall be a Massachusetts licensed physician, physician assistant, nurse practitioner, registered nurse, EMT or licensed practical nurse. The Health Care Consultant authorizes the Health Officer to oversee health matters at camp on a day-to-day basis and to dispense medications. A Health Officer staffs the camps health lodges and a local physician is on call.

Health Care Policy:

Complete health care policy for our Camps is available to a parent or guardian upon request to Mayflower Council BSA, 83 Cedar Street, Milford, MA 01757.

Care of Mildly Ill Campers:

Each camper or staff member is responsible for reporting any signs of illness to the health officer (HO), who assesses each situation. The HO may administer over-the-counter medications he/she believes are warranted if they are authorized by the HCC standing orders and the parent/guardian. If the HO determines the camper should be sent home or seen by the Health Care Consultant, he/she informs the Camp Director and arrangements are made. In both situations, the parent/guardian is contacted as soon as possible.

Care of More Serious Illness or Injury at Camp:

Parents/guardians will be notified as soon as possible should a camper be taken to the doctor's office/hospital for an injury or health condition and if medication has been prescribed by the camp's Health Care Consultant. The Health Officer or Camp Director will notify parents/guardians of any persistent conditions or ailments. Parents/guardians should notify their doctor and health care provider of any health condition or accident/injury occurring at camp for follow-up visits and billing purposes.

16. GEORGE W. P. MAGEE THEME NIGHT

Tuesday Evenings troops are encouraged to create entrances designed to reflect the yearly theme and Scouts are encouraged to dress the part. Theme to be announced.

A Brief History:

From the very beginning of the movement, George W. P. Magee saw Scouting as an invaluable program for positively shaping and impacting the lives of young people in Massachusetts communities. He found it so important that he established a Trust Fund upon his death to support the building and maintenance of summer camps in the Massachusetts Councils, such as Mayflower Council's Camp Squanto and Camp Resolute. It was George Magee's desire that the Councils who receive this Fund would celebrate his birthday, which is August 6th. Mayflower Council has committed to not only celebrating during his birthday week, but during every week of summer camp.

17. CAMP SQUANTO ADDITIONAL INFORMATION

Orientation:

The Camp Director will conduct orientation before dinner on the Parade Field at 5:30 pm.

Retreat:

This follows camp orientation and precedes dinner, usually around 5:45 pm. Full uniform please!

First Day Dinner:

The camp will begin to serve dinner beginning around 6:00 pm following an explanation of dining hall procedures. Scouts signed up for the Flight to Eagle Program (1st year campers) will meet after dinner for orientation.

First Day Opening Campfire:

Units will assemble at 8:15 pm at the parade field for our opening campfire.

Daily Schedule:

7:00 am	Reveille (Rise and Shine)

In Troop Competitions:

- Scavenger Hunts
- Totin' chip
- Games of all sorts
- Pebbles Program
- Firem'n Chit
- Basketball
- World Conservation Award
- Presidential Env. Youth Award

Presidential Environmental Youth Award:

This is considered an older Scout award and it requires time that may conflict with merit badge work. It is not restricted, however, to the older Scouts. Some troops have elected to work on this award as a special troop project. A special patch and certificate are available to all who complete this special award.

Requirements:

Four (4) hours conservation work determined by the Nature Director. This work cannot count towards another badge, award or towards advancement service project.

Explain how the conservation work you do will:

- a. HELP control erosion
- b. CONTRIBUTE to the management of the forest
- c. INCREASE the number of wildlife in the area.
- d. DISCUSS a Scout's commitment to ecology and conservation.
- e. REVIEW the Outdoor Code. Tell what you could do in your community to work towards the goals.
- f. DISCUSS a national ecology problem and give possible suggestions.

Flight to Eagle (first year campers):

Specialty program designed for younger and first year campers that focus on rank advancement, scouting skills, and character building, while emphasizing citizenship, teamwork, leadership, and fun.

The purpose of this program is designed for the first-year camper or new Scout to start the journey of the Eagle Trail and work on the rank requirements for Tenderfoot, Second Class and First Class while at camp.

The ranks of Scouting are not awarded by the camp, this is the function of the unit leader. At the Saturday awards ceremony, we award the Scouts who have completed the week's program with a Flight to Eagle patch. This allows us to recognize the Scout while at the same time leaving the right to declare whether the Scout has earned the rank or not to the Scoutmaster.

Monday-Friday 9 am to 11 am

During this time scouts participate in activities that meet some of the Tenderfoot, Second Class, and First-class requirements. They also work on Scout skills with the emphasis on having FUN! Each Scout will be encouraged to work on a merit badge. FTE Scouts should work with their Scoutmaster to choose other merit badge selections.

Orientation is held at 6:45 pm Sunday night at the Dining Hall Bell Tower

MAYFLOWER COUNCIL

Shooting Sports & Photo **Parental Authorization Form**

Compliance with Massachusetts State Law regarding Authorized Use of Firearms by a Minor

The Mayflower Council adheres to all applicable laws and operates under the governance of BSA National Standards as well as MA State Health Code. As a part of the Boy Scout Program the council operates several safe shooting sports ranges for Scouts to participate in rifle shooting, shotgun, and archery. In order to satisfy Mass General Law Chapter 140 section 1301/2 the council requires parental permission to participate in such activities. Mass General Law Chapter 140, Section 1301/2 stipulates the following:

Section 1301/2: Lawfully furnishing weapons to minors for hunting, recreation, instruction and participation in shooting sports

Section 1301/2. Notwithstanding section 130 or any general or special law to the contrary, it shall be lawful to furnish a weapon to a minor for hunting, recreation, instruction and participation in shooting sports while under the supervision of a holder of a valid firearm identification card or license to carry appropriate for the weapon in use; provided, however, that the parent or guardian of the minor granted consent for such activities.

Photo Release Statement

I hereby assign and grant to the Mayflower Council the right and permission to use and publish the photographs/film/video tapes/electronic representations and/or sound recordings made during my child's visit to Mayflower BSA Camps, and I hereby release the Mayflower Council, Boy Scouts of America from any and all liability from such use and publication. I hereby authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage and/or distribution of said photographs/film/video tapes/electronic representations and/or sound recordings without limitation at the discretion of the Mayflower Council and I specifically waive any right to any compensation I may have for any of the foregoing.

_____ I hereby authorize my child to participate in all events during summer camp including (if age appropriate) use of the shooting sports program areas (for rifle and shotgun under supervision of a FID instructor) and I agree to the Photo Release Statement outlined above.

_____ I do not authorize my child to participate in shooting sports activities. However, my child is authorized to participate in all other events and activities of the camp, and I agree to the Photo Release Statement outlined above.

SUMMER CAMP MEDICAL FORM INSTRUCTIONS

Accurate medical records for campers and staff are required by BSA standards and state law. They are also critical to ensure timely, effective care should you or your Scout become sick or injured while at camp. All campers, adult leaders and staff **MUST** complete the BSA Annual Health and Medical Record form annually. Forms expire after 12 months.

Scouts, leaders, parents, and visitors WILL NOT PARTICIPATE in any camp activities including (but not limited to) swimming, boating, climbing, COPE, and sports, and may not remain in camp longer than 72 hours without a completed medical form.

Read the medical form carefully. The next page highlights areas that are commonly incomplete. All portions of the form must be completed for ALL summer camp programs. Please take note of the following changes:

PART A:

This page contains an important risk advisory, informed consent, and release. Please read this advisory carefully. The participant and parents (if participant is under 18) must sign to acknowledge agreement with the information on this page.

This page also includes space to list adults who are authorized (or prohibited) to take this participant to/from events.

PART B:

Part B contains the participant's contact and insurance information and generic health history. Page 2 of this section contains information about medication and allergies. Please complete these sections carefully and accurately. The parents and health care professional must sign to authorize all medication.

PART C:

Part C is the annual physical. This page should be completed and signed by the health care professional conducting the physical examination. Physicals are required within 12 months of an event lasting longer than 72 hours.

COMMON MISTAKES:

- Missing parent/guardian signature (Part A)
- Missing emergency contact information (Part B)
- Incomplete medication information (Part B)
- Missing medical insurance card (Part B)
- Missing immunization record (Part B)
- Missing physician signature (Part B & C)
- Physical exam more than 12 months ago (Part C)

NOTE: State regulations require that your complete immunization record be written on the medical form. Absolutely no attachments are accepted.

MEDICAL FORMS ARE NOT RETURNED AT THE END OF CAMP. Always submit a **COPY** of your medical form. Keep the original for use at other Scouting activities.

Annual Health and Medical Record

Information and FAQs

Personal Health and the Annual Health and Medical Record

Find the current Annual Health and Medical Record by using this QR code or by visiting www.scouting.org/health-and-safety/ahmr/.

The Scouting adventure, camping trips, high-adventure excursions, and having fun are important to everyone in Scouting—and so are your safety and well-being. Completing the Annual Health and Medical Record is the first step in making sure you have a great Scouting experience. **So what do you need?**

All Scouting Events. All participants in all Scouting activities complete Part A and Part B. Give the completed forms to your unit leader. This applies to all activities, day camps, local tours, and weekend camping trips less than 72 hours. Update at least annually.

Part A is an informed consent, release agreement, and authorization that needs to be signed by every participant (or a parent and/or legal guardian for all youth under 18).

Part B is general information and a health history.

Going to Camp? A pre-participation physical is needed for resident, tour, or trek camps or for a Scouting event of more than 72 hours, such as Wood Badge and NYLT. The exam needs to be completed by a certified and licensed physician (MD, DO), nurse practitioner, or physician assistant. If your camp has provided you with any supplemental risk information, or if your plans include attending one of the four national high-adventure bases, share the venue's risk advisory with your medical provider when you are having your physical exam.

Part C is your pre-participation physical certification.

Planning a High-Adventure Trip? Each of the four national high-adventure bases has provided a supplemental risk advisory that explains in greater detail some of the risks inherent in that program. All high-adventure participants **must** read and share this information with their medical providers during their pre-participation physicals. Additional information regarding high-adventure activities may be obtained directly from the venue or your local council.

Prescription Medication. Taking prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but the Boy Scouts of America does not mandate or necessarily encourage the leader to do so. Standards and policies regarding administration of medication may be in place at BSA camps. If state laws are more limiting than camp policies, they must be followed. The AHMR also allows for a parent or guardian to authorize the administration of nonprescription medication to a youth by a camp health officer or unit leader, including any noted exceptions.

Risk Factors. Scouting activities can be physically and mentally demanding. Listed below are some of the risk factors that have been known to become issues during outdoor adventures.

- Excessive body weight (obesity)
- Cardiac or cardiovascular disease
- Hypertension (high blood pressure)
- Diabetes mellitus
- Seizures
- Asthma
- Sleep apnea
- Allergies or anaphylaxis
- Musculoskeletal injuries
- Psychological and emotional difficulties

More in-depth information about risk factors can be found by using this QR code or by visiting www.scouting.org/health-and-safety/risk-factors/.

Questions?

Q. Why does the Boy Scouts of America require all participants to have an Annual Health and Medical Record?

A. The Annual Health and Medical Record (AHMR) serves many purposes. Completing a health history promotes health and awareness, communicates health status, and provides medical professionals critical information needed to treat a patient in the event of an illness or injury. It also provides emergency contact information.

Poor health and/or lack of awareness of risk factors has led to disabling injuries, illnesses, and even fatalities. Because we care about our participants' health and safety, the Boy Scouts of America has produced and required use of standardized annual health and medical information since at least the 1930s.

The medical record is used to prepare for high-adventure activities and increased physical activity. In some cases, it is used to review participants' readiness for gatherings like the national Scout jamboree and other specialized activities.

Because many states regulate the camping industry, the AHMR also serves as a tool that enables councils to operate day and resident camps and adhere to Boy Scouts of America and state requirements. The Boy Scouts of America's AHMR provides a standardized mechanism that can be used by members in all 50 states.

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915[a]) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

☐ Checking this box indicates you DO NOT want your child to use a BB device.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any: _____

☐ None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont Scout Ranch, Philmont Training Center, Northern Tier, Sea Base, or the Summit Bechtel Reserve, I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met. The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian's signature is required.

REQUEST FOR EXEMPTION FROM MEDICAL CARE AND TREATMENT

I request the exemption from all medical treatment ☐ me ☐ and/or my children route to, from, and during the attendance to Camp _____, operated by the _____ Council, Boy Scouts of America. I understand that a medical evaluation and screening by a licensed health-care practitioner is necessary to reduce the possibility of exposing other camp participants to a communicable disease.

In consideration of these exemptions, I understand that I accept complete responsibility for the health of ☐ me ☐ and/or my child, and I hereby release and agree to hold harmless the Boy Scouts of America and any of its officers, agents, and representatives from any liability that might arise during Scouting activities by virtue of this exemption. It is further understood that, should an emergency arise, (name) _____, (telephone) _____, will be notified immediately. In the event that this contact cannot be located immediately, the Boy Scouts of America authorities may take such temporary measures as they deem necessary.

BOY SCOUTS OF AMERICA

Summer Camp Food Allergy and Special Diets Protocol

Fresh Picks Café takes food allergies and special dietary restrictions very seriously. Fresh Picks is committed to reducing the risk of food related allergic reactions among those we serve. While we cannot operate or guarantee an “allergen-free” environment, we will inform all consumers known to have allergies of any products we know to contain the allergens. We will also prepare allergen free dishes, as needed. Camps are directly responsible for oversight of campers with food allergies.

Standard Procedures

1. Camps must provide a dietary accommodation request form to Fresh Picks Café at least two weeks prior to the camper arriving at camp. This will provide us with adequate time to plan a separate menu, if needed, and/or procure specialty food items.
 - a. We have provided a copy of our form. If your camp currently has a form in place, we ask that you submit it to our Dietetic Team so they can review and approve use of the form.
2. Specialty menus will be prepared ahead of time by Fresh Picks Café’s lead Registered Dietitian, Frank Gillespie R.D.N., as needed. If allergen or special diet information is not received in a timely manner, this step will not be possible. Frank can be contacted via email at fgillespie@freshpickscafe.com
3. A Fresh Picks Café RDN will contact the parent/guardian of the camper, as needed. For more complicated, multiple food allergies or dietary accommodations, a parent/guardian may be asked to review the altered menu for approval. Parents/guardians may also be asked to provide the camp with specialty food items.
4. All specialty food items will be stored separately and labelled with the specific camper’s name.
5. Specialty food purchases may be billed back to the camp via Direct Billing.
6. Specialty meals will be counted separately on the meal count sheet and at a higher cost per meal.

Food Labels

1. Food labels for any products served on the menu will be saved in a binder, for reference. Labels that are on boxes will need to be removed and saved.
2. Labels will be easily accessible to all campers, camp staff and parents/guardians
3. Food labels that are unavailable will be obtained from Sysco and put into the Food Label binder

Staffing patterns

1. Staffing patterns may be altered at any point during camp season, based on the needs of the campers. These additional costs will be directly billed back to the camp.
2. Staffing patterns will be based on the number of special diets from the prior camp season.

Equipment Needs

1. Allergen free equipment, specifically toaster oven, pans, utensils.
2. Ecolab Allergen equipment.

Food Allergy/Special Dietary Needs Questionnaire

Child's Name: _____

Camp Name: _____

Dates at Camp: _____

1. Please list all food items that your child is allergic to. Please be as specific as possible.

2. Does your child have any intolerances? If so, please list the intolerance, the exact foods they cannot tolerate and any foods that you substitute for this intolerance (example: lactose intolerance, uses Lactaid, but can eat cheese, yogurt, ice cream) _____

3. What type of reaction does your child have to the above items (allergy and/or intolerance)?

4. Is the food allergy diagnosed by a physician? _____

5. Do they require an Epi-Pen? _____

6. Can your child have this item as an ingredient in products? (example: egg allergy but can have bread with eggs, milk allergy but can have cooked in French toast)

7. Please list any items that you use as a substitution (example: soy milk, rice milk, Udi's bread, etc)

8. Does your child have any dietary needs based on personal preference or religious reasons? Please explain and be as specific as possible: _____

9. Please provide a contact name and number for the person responsible for this camper. A Registered Dietitian from FreshPicks Café may need to contact you with any questions.

10. Are you willing to provide any specialty items that are unavailable through our vendors?

Brick Paver Program at Camp Squanto

Unique Ways to support the "Building Character for Our Future "

Capital Campaign for Camp Squanto - Mayflower Council, BSA

A special opportunity exists to help support the capital development of Camp Squanto, which provides facilities and program opportunities for youth and adult members of our Cub Scouting, Boy Scouting, Venturing and Exploring Programs.

The "*Honor Plaza*" is being created in front of the Casoni Museum. This "plaza" will provide a permanent recognition of contributors to Scouting for all who visit Camp Squanto .

As the plaza grows, a walkway will be established, leading from the road to the entrance way of the museum.

There are several different options to participate:

Option I: Your own engraved 8" x 8" brick paver (\$2,500):

4 lines with 20 spaces per line- including blank spaces & punctuation.

Option II: Your own engraved 4" x 8" brick paver (\$1,000):

3 lines with 20 spaces per line-includes blank spaces & punctuation.

Option III: Your engraved name with others on:

Once a Scout in your unit has applied for a campership, it will show up in your checkout as a pending discount. Once approved the actual amount awarded will be noted.

Once the Scout is checked in at camp, the campership will be fully credited to your account.

Camperships cannot be transferred.

Names on campership application and registration must match exactly.

Campership Summer Camp 2021

The purpose of the campership program is to provide financial assistance to deserving campers who would otherwise not be able to afford the camp attendance fees. The Mayflower Council, in administering funds provided by concerned individuals, foundations, and others, will act as good stewards by offering careful judgment in providing camperships and will act in complete confidence. All applications must be received by June 1, 2021 to be considered. Camperships are awarded based on need and first come, first serve or until funds are exhausted. While the Mayflower council seeks to assist as many campers as possible, there is no guarantee of campership awards.

Camper's first and last name on campership request form must match registration exactly or the campership will not apply. For instance, if the campership request form uses Bobby, the registration must also use Bobby, not Bob or Robert.

Campership Summer Camp 2021

The purpose of the campership program is to provide financial assistance to deserving campers who would otherwise not be able to afford the camp attendance fees. The Mayflower Council, in administering funds provided by concerned individuals, foundations, and others, will act as good stewards by offering careful judgment in providing camperships and will act in complete confidence. All applications must be received by June 1, 2021 to be considered. Camperships are awarded based on need and first come, first serve or until funds are exhausted. While the Mayflower council seeks to assist as many campers as possible, there is no guarantee of campership awards.
