RE: Restrictions for Non-resident Temporary License to Carry Firearms

The Firearms Records Bureau (FRB) may apply certain restrictions on a non-resident temporary license to carry firearms. These restrictions detail the terms and conditions that govern the possession of a firearm under the license pursuant to G.L. c. 140, §131F.

The following restrictions may be applied to a non-resident temporary license to carry firearms:

NONE – the LTC is issued for all lawful purposes with no restrictions. Applicant must show good reason to fear injury to his person or property.

EMPLOYMENT – restricts possession to a business owner engaged in business activities or to an employee while engaged in work related activities, and maintaining proficiency, where the employer requires carry of a firearm (i.e. armored car, security guard, etc.). Includes travel to and from activity location.

TARGET & HUNTING – restricts possession to the purpose of lawful recreational shooting or competition; for use in the lawful pursuit of game animals and birds; for personal protection in the home; and for the purpose of collecting (other than machine guns). Includes travel to and from activity location.

SPORTING – restricts possession to the purpose of lawful recreational shooting or competition; for use in the lawful pursuit of game animals and birds; for personal protection in the home; for the purpose of collecting (other than machine guns); and for outdoor recreational activities such as hiking, camping, cross country skiing, or similar activities. Includes travel to and from activity location.

Restrictions are based upon the information provided in the license application. Please ensure that you provide a detailed reason for requesting the issuance of a license in Massachusetts. Include information regarding how and where you intend to possess or use a firearm, as well as your knowledge of Massachusetts firearms laws and information about your firearms training.

Also, a LTC may **ONLY** be issued to a non-resident, non-citizen (alien) for the purpose of firearms competition.

If you have any further questions please contact the FRB at (617) 660-4782.
